Cub Scouts

Cub Scouts is the third section of the Scouting family, designed for young people aged between 8 and 10½. Many Cubs will have been Beaver Scouts, but some Cubs join Scouting for the first time to look for adventure, friendship and fun. 1st Burton Latimer Scout Group has two Cub packs; Eagle and Falcon.

Both packs are run by a small leadership team, consisting of a Cub Scout Leader (CSL), Assistant Cub Scout Leaders (ACSL), Section Assistants (SA), Young Leaders (YL) and other occasional helpers, who give up their time to volunteer in the Scout group.

Moving On

When a Cub is aged between 10 and 10½ Years old they are able to move up to the Scout section. Cubs usually take part in a 3 week process known as 'linking-up'. The leaders will arrange this process. During this time the Cub will attend both Cubs and Scouts and will get to know the leaders, helpers and other Scouts in the Scout Troop. Cubs are then invested into the Scout Troop and become Scouts.

Uniform

The Cub uniform consists of a green sweatshirt, a green polo shirt (optional), activity trousers (optional) and the group necker. We kindly ask that Cubs do not wear jeans.

We recommend purchasing Scout-brand 'activity' trousers due to the activities we do and especially for parades, church visits and ceremonies.

The sweatshirt, polo shirt and trousers are available to purchase from scouting shops (see overleaf) and online at <http://shop.scouts.org.uk/>.

Investiture

Once a young person has been in Cubs for 6 weeks they are invested. Families are welcome to attend this event. This is an important ceremony in which the young person is welcomed into the Cub pack and makes the Cub Scout Promise:

I promise that I will do my best, to do my duty to God and to the King, to help other people, and to keep the Cub Scout Law.

Scouting is available to people of all faiths, humanists, atheists and those with no affirmed faith. Therefore, different variations of the promise can be made, allowing for individual obligations whilst upholding the essential spirit of the Promise.

Important Information

2 warranted adults must be present whilst supervising young people.

Please do not drop your child off before 6.25pm as there may be no adult supervision.

A responsible adult must escort your child into and out of the HQ. This is important as your child may be left unattended outside, if you are unaware that Cubs is cancelled or we have departed HQ.

The leaders must also be informed about who is collecting your child.

Please **DO NOT** use the private road directly outside the HQ under any circumstances. This land does not belong to the Scout Group. This means it cannot be used for dropping off, turning or parking.

In the unlikely event that Cubs is cancelled, we will attempt to notify you as soon as possible

Please make sure your child brings a coat to meetings as the weather can change at any time.

All other information will be sent out by text message, OSM and/or email
